Appl. No. 10/724,620  
August 9, 2004

**REMARKS**

We received a Notice To File Missing Parts of Nonprovisional Application mailed June 30, 2004 requiring the oath or declaration together with the replacement drawings for the present application. Since the executed Declaration signed by all the inventors was filed with the application on December 2, 2003, (post card filing receipt attached) no oath or declaration was deemed necessary with the filing of our response to the Notice which only included replacement drawings. Applicants believe that no further action is deemed necessary and the all requirements have been met.

Respectfully submitted,

**NIXON & VANDERHYE P.C.**
